Park cars: (In addition to location please give Grid Reference, road number and if possible a Postcode)

Brief details of walk (BLOCK letters for place names, please)

The four categories used to describe the walks are:

1. **STRENUOUS** - rough country with steep climbing and exposed ridges.
2. **FAIRLY STRENUOUS** - rough country but lesser gradients than 1.
3. **MODERATE** - easy gradients, undulating country.
4. **EASY** - little or no climbing

Please arrange to have a back marker who knows the route to ensure that gates are closed and
the party is not split up.

If leader meets any obstruction to a definite footpath please contact the relevant local authority and
advise any member of the Club Committee that you have done so.

Please inform **Phil Worsley (777 6013)** of the names of the people who attend your ramble and of the
names of any guests who attend.

Note: Contact telephone numbers and addresses are on your membership card.
